Department of Defense  
Washington 25, D. C.

Dear Graves:

I have given a good deal of thought to your memorandum of 24 April 1956, on the subject of a national policy on counter intelligence.

I called you today and found that you would be out of town for the next few days and I am writing to suggest that upon your return you give me a call so that we can fix a time when we can get together as I should like to get a little more of the background of your thinking and, if it is available, the JCS memorandum on the subject.

Faithfully yours,
